Our History:

The original Crown Hotel opened for business in 1859 on the corner of Waghorne & Barry Street.

At that time, The Crown Hotel traded as a local pub that provided workman and sailors the best brands of wines & spirits, a first class billiard room, bagatelle tables and there were 17 letting rooms on the second floor. Livery & Bait Stables were also available.

It was destroyed by fire in the 1931 earthquake while the new hotel was being built. The building was to be three levels but was reduced to two levels due to the earthquakes damage.

The building has Heritage Protection and required a signoff from Art Deco Trust and has therefore retained its Art Deco exterior and interior detail such as the unique mosaic foyer, leadlight windows and stairway.

The mural in the Vautier Conference room was discovered under the wallpaper during renovations and was restored. They were thought to be originally painted on the walls in the 1960's. What was originally 17 letting rooms upstairs in the heritage building, are now three luxury heritage suites.

Accommodation:

The Crown Hotel is an elegant boutique 4.5 star hotel with 39 guestrooms offering studios, 1 and 2 bedroom suites in an idyllic location where you can come to dine, dream and discover. A timeless hotel which combines modern design and history with our teams genuine personalized service.

Along with our conference facilities located in the refurbished original 1932 Crown Hotel building are three heritage suites offering art deco history with the ambience of sophistication and style or alternatively choose from our guestrooms in the modern and contemporary wing along the Ahuriri waterfront and village.
